Sign-up Guide

How can I sign-up for a Barefoot Academy course module?

If you represent a commercial customer:

- If you do have an account on [Barefoot Support](#) Portal:
 - Navigate to [Barefoot Academy Calendar](#) page and sign-up from there
- If you do **not** have an account on [Barefoot Support](#) Portal:
 - Please contact your Barefoot (Intel) Sales Representative or reach out to sales@barefootnetworks.com to create one

If you represent an academic or a research institution:

- If you do have an account on the [FASTER Forum](#):
 - Navigate to [Barefoot Academy Calendar](#) page and sign-up from there. Academic discount will be automatically applied
- If you do **not** have an account on the [FASTER Forum](#):
 - Talk to your professor/research chair and ask for the account to be created. They do have the ability to do it on their own
 - If your institution is **not** a member of [FASTER](#) (which often happens if you just learned about Barefoot), it should become one first. The membership is free, you get access to a lot of information and will join a thriving community of fellow researchers all over the world. Please, visit <https://www.barefootnetworks.com/faster/> for more information and to sign-up via a simple click-through process

If you represent a governmental organization, you will be following one of the processes listed above. Talk to your manager/supervisor or reach out to sales@barefootnetworks.com.
